Match: Kenilworth vs. West Warwicks

Table topping Kenilworth set to go global...

Kenilworth's fine start to the season continued with a resounding 4-1 victory vs. West Warwickshire on Monday night. With a full strength squad at their disposal Kenilworth never looked to be in danger, with the flamboyant Guy Pearson up first and setting a high precedent in the first game with a 3-0 romp. He was playing one of the best 16 year olds in the country, but Guy's disguise, hold and remarkable racquet skills were something his opponent can only aspire to.

The two-string tie saw Kenilworth's Chris Fuller, by far the strongest number two in the league up against an opponent who was really no match. Fuller stormed home 3-0, opening his account with an 11-0 whitewash. In a match which was going to pose little challenge, Fuller varied his game to match the situation, and displayed excellent control, length and width.

Sarah-Jane Perry was playing at 5 this week and battled through a tough and well fought 3-2 victory, giving Kenilworth's Chris Hall and Hugo Diamond the opportunity to really express themselves and try and force a 5-0 clean sweep. SJ played well, displaying good fitness and fighting qualities against some unlucky referring decisions.

Hugo Diamond was playing at 4 and put in a much stronger performance in his second home game. Riding high from his previous match in which he battled back from 2-0 down, Hugo displayed some nice racket control with some flicks and volley kills in the most evenly matched contest of the night. Unfortunately, in a game which could have gone either way, Hugo came out on the losing end, with a 3-1 loss in which every game went to 7-7. Unlucky mate.

Chris Hall training hard in what was likely to be final 'competitive' match before jetting off to Nairobi was never troubled in the 1 string tie and maintained his 100 % record with a comfortable victory to leave Kenilworth at the top of the Warwickshire league. With Hall in Africa, and Fuller in St. Petersburg this week, Kenilworth Squash is being put on the map. We wish the boys luck, and hope that their absence will be an inspiration for our squad to step up and continue this strong start to the season.
