If you are interested in playing competitive league tennis for Kenilworth and are a full senior member or a junior with senior status then please come along to match practice. If you are new to the club or to match tennis we will be pleased to welcome you.

We have four summer league teams in the Coventry and District League. Different standards are catered for, up to and including first division tennis. All summer league matches are played on weekday evenings starting at 6.30pm. There are two couples in a team and they play both opposition pairs. Each rubber consists of two sets and, if necessary, a deciding championship tie-break.

The three match practice dates cover a selection of days and times so I hope everyone who is interested will be able to make at least one date. If you have problems with all the dates please contact me.

Please could you fill in the form indicating which practices you can come to—or e-mail this to me if you prefer.

If you have any questions give me a ring or text or e-mail me. If you think I may not have your contact details it would be particularly useful if you could get in touch.
