TENNIS PLAYING RULES

Standards of Dress

Members are requested to wear tennis clothing or other sports clothing suitable for tennis (not football strips), and tennis footwear designated as suitable for both tennis hard and soft courts. *Footwear, which is likely to mark courts, must not be worn.*

Shoe Tag - Membership Identification

Members must display a current shoe tag whenever on the tennis courts. It is the duty of other members to check that their playing partners are displaying current shoe tags.

Off-peak Members

This category of membership permits play only during Monday to Friday and prior to 6-00pm.

Visitors

Members bringing visitors to play at the Club should be seen as a membership privilege. Each member is allowed a maximum of 6 visits per year with no more than 3 visits per individual guest. Members must sign in and pay for visitors playing at the Club (for details see the Visitor Register on the notice board).

Court Priority

Junior Courts

Court 1 is allocated for Coaching, or if not required by the Coach, it is the JUNIOR COURT. If court 1 is in use by the Coach, court 6 will be designated by sign as the temporary Junior Court (throughout the day and the evening).

No Seniors may use these courts if they are required by Juniors.

Main Courts (2 to 9)

Courts 2 to 9 (see above for 6) - the following priorities apply in order of impact:

1. **League Matches** (summer) or recognised external Tournaments will be played and have absolute priority on courts 6 to 9, requiring others to give up the court immediately. Winter league and veterans matches which are played on a Saturday or Sunday afternoon during 'club play sessions' will be played on courts 6&7, or courts 4&5 if artificial grass is required.
2. **Members 'club play sessions'** has priority on courts 2 to 5 during the week, and at weekends on courts 6 to 9 also.
3. **Coaching** will normally take place on courts 6 to 9, and wherever possible on the hard courts 6 & 7. The Coach has guaranteed access to one tennis court at all times, with the exception of when Club Tournaments are being played.
4. **Junior Night:** Friday evening only with immediate access to all courts from 6-30pm.
5. **Official Club Tournaments** such as American Tournaments have immediate access to all the courts (2 to 9) at the times stated on the Notice Board.
6. **Club Championship Matches** take priority over normal club play. Players who wish to claim priority use of the court must notify the players already on court that they wish to use it. The players on court may finish their short set.
7. **Fixed Fours on Thursday evening.** Timing of access to courts is controlled by the booking system displayed on the Notice Board.
8. **Official Club Play Sessions.** During Official Club Play sessions participating members have priority (after the above) access to the courts (weekdays from 6-30pm; weekends from 2-00pm). Players who wish to claim priority use of a court must notify players already on court that they wish to use it. The players on court may finish their (short) set if it is their first set and must then give up the court. If they have already played at least one set they must complete the current game and immediately vacate the court.
9. **Other play.** At other times when all courts are in use, waiting players who wish to claim use of a court must notify players already on court that they wish to use it. The players on court may finish their (short) set and then give up the court.

Doubles takes precedence on all courts except for Singles play in Official Club Championship matches. Doubles players have the choice of courts, and if all four players are ready to play, those already using the courts must complete their (short) set and give up the court.

In addition, singles matches, which are part of the Club Singles Ladder, will have equal priority (not more priority) to club doubles play during the following times:

- after 8.00pm on Mondays, Tuesdays, Wednesdays and Thursdays;
- after 2.00pm on Saturdays;
- any time on Sundays.

"Off-peak members" must stop using the courts at 6-00pm.
